Course duration:	One hour (although it may take longer)
Devices supported:	PCs, mobile devices, tablets
Content:	Information, activities and multiple choice questions
Technical support:	On-screen facility, including password reset

If you already have a juiceportal.co.uk account please log-in, select 'Enrol' and launch using the course code below. For first time users:

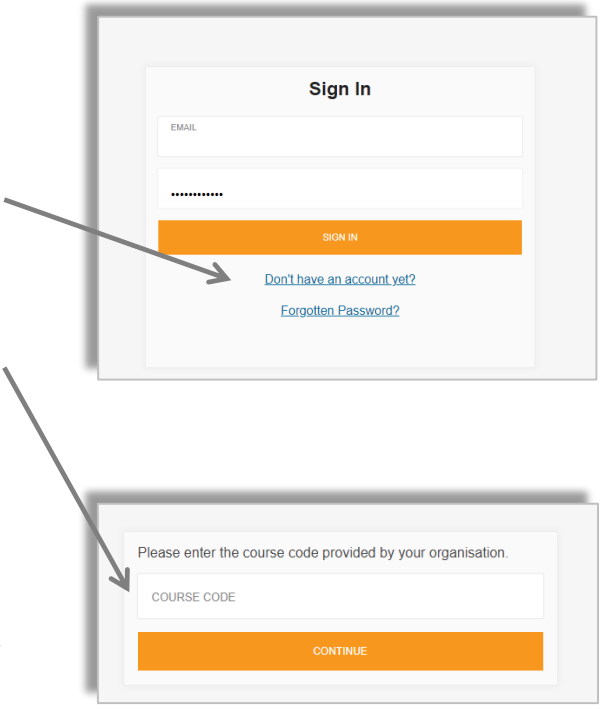
Open your internet browser and type www.juiceportal.co.uk into the address bar and press enter.

Select the 'Don't have an account yet?' option.

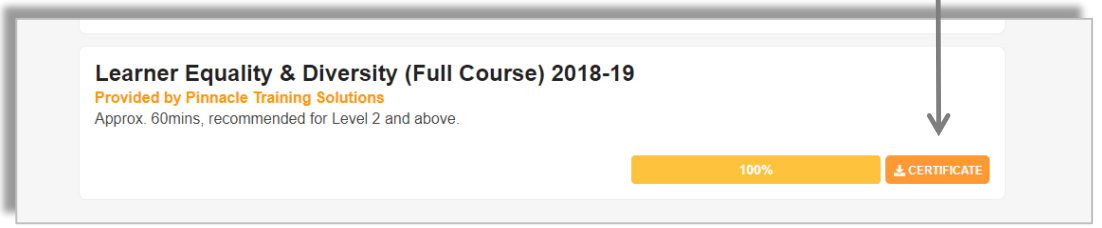
Enter the course code "**HLCH8**" (any letters must be in capital) and then enter your personal details.

The course will launch automatically with full on-screen instructions.

Progress is saved automatically. You can log-out and log back in again at any time.



Forgotten password? Use the option on the home-page to request a reset.

Technical Support line: **0345 222 1524**


Print your certificate from the 'My Courses' page
