## HLC SAFEGUARDING WEEK 28TH APRIL – 1ST MAY

From the 28<sup>th</sup> April to 1<sup>st</sup> May, HLC will be hosting events across the city to create a network of support for our learners, delivery partners and staff. The risk posed to our communities are becoming more complex than ever before, and as education providers we must do our utmost to understand the problems and build positive relationships with our learners to enable us to mitigate risk and safeguard effectively.

The events taking place will include talks and workshops delivered by local services and experts, our delivery partners and learners themselves.

Here are the events happening so far, also keep an eye on our socials for more information on what's to come....

### **Radicalisation. A local context.**

Radicalisation and risk are evolving, recent events have reinforced the importance of understanding the local context. Delivered by Matthew Temperton, Partnership Delivery Manager, from the Safer Hull Community Safety Partnership.

### **One Punch Hull & East Yorkshire.**

Hear from Scott Akester's family first-hand on how one punch attacks impact on family and friends, and how to Stop, Think and Walk Away.

### **Papyrus: SPARK Session.**

PAPYRUS exists to reduce the number of young people who take their own lives. The SPARK session seeks to raise awareness and share resources.

### **Stay Safe Online: Cybersecurity Essentials.**

(for delivery partners)

Don't wait for a safeguarding incident or cyber-attack to act, this session will help you get ahead of the game.

### **PAPYRUS Mental Health and Wellbeing Session.**

Boost your wellbeing in just 30 minutes!

### **Can you escape the PEER?**

Portable Educational Escape Room are an excellent classroom resource to address current topics such as radicalisation, bullying and misogyny - come and find out why.

### **Supporting learners registered with the Probation Service.**

Yorkshire and Humber Probation Service will provide some helpful guidance on how you can develop provision for those on probation and manage risk effectively.
